PROLIFERATION SENSITIVE & EXPORT CONTROL PROPERTY ACKNOWLEDGMENT

**SIGNED ACKNOWLEDGMENT OF THIS DOCUMENT MUST BE RETURNED WITH YOUR
BID**

Note: It is your responsibility to notify the LLNL Sales Administrator in writing on a semi-annual basis to the following address, if you want to remain on the “bidder’s list”.

**Mary Ann Chapeta, L-697
Lawrence Livermore National Laboratory
Donation, Utilization & Sales Group
P.O. Box 808
Livermore, CA 94550**

PROLIFERATION SENSITIVE PROPERTY ACKNOWLEDGEMENT

In the event that proliferation sensitive property is inadvertently included in this sale, the purchaser agrees that the sale is void, and if such property has been received by purchaser that purchaser will return the property to the Lawrence Livermore National Laboratory within 10 days of notification. If payment has been made, the purchase price only shall be refunded to the purchaser.

EXPORT RESTRICTION NOTICE

Personal property purchased from the U.S. Government may or may not be authorized for export/import from/into the country where the personal property is located. If export/import is allowed, the purchaser is solely responsible for obtaining required clearances or approvals. The purchaser also is required to pass on the Department of Energy’s export control guidance if the property is resold or otherwise disposed.

The use, disposition, export and reexport of this property is subject to all applicable U.S. laws and regulations, including the Atomic Energy Act of 1954, as amended; the Arms Export Control Act (19 USC 2751 et seq.); the Export Administration Act of 1979 (560 USC Append 2401 et seq.); DOE Regulations (10 CFR Part 810); International Traffic in Arms Regulations (19CFR 120 et seq.); Export Administration Regulations (15 CFR 730 et seq.); Foreign Assets Control Regulations (31 CFR 500 et seq.); and the Espionage Act (37 USC 791 et seq.) which among other things, prohibit:

- a. The making of false statements and concealment of any material information regarding the use or disposition, export or reexport of the property; and
- b. Any use or disposition, export or reexport of the property which is not authorized in accordance with the provisions of this agreement and;
- c. Any release of technology or source code subject to the Export Administration Regulations to a foreign national is deemed to be an export to the home country or countries of the foreign national and may require an export license. This deemed export rule does not apply to persons lawfully admitted for permanent residence in the United States and does not apply to persons who are protected individuals under the Immigration and Naturalization Act (8 U.S.C. 1324b(a)(3).
(15 CFR 734.2)

CITIZENSHIP INFORMATION

The following information must be completed and returned with your bid to the LLNL Sales Administrator.

1. If you are an individual are you a U.S. citizen? Yes ____ No ____

2. If you are a company, are you a U.S. owned or controlled company?
Yes ____ No ____

If you are a company, do you plan to provide access to this "sale property" to foreign nationals?
Yes ____ No ____

3. Do you employ any foreign nationals who are not permanent resident aliens? Yes ____
No ____

- If yes, do you have controls in place to prevent their access to property? Yes ____
No ____

If the answer to any of the questions on this document is "yes" the following requirements apply:

- LLNL's Sales Administrator will review the transaction with LLNL's Export Control officer and obtain either denial and/or approval for this request.
- the Export Administration Regulations require that you obtain an export license for release of controlled technology or software to a foreign national if a license is required for the export of such items to the home country or that foreign national. Please consult 15 CFR Part 748 for more detailed information.
